**AT CHRISTMAS TIME, MORE THAN 45 MAGNIFICENT TREES,  
HUNDREDS OF WREATHS AND POINSETTIAS AND 10,000 FEET  
OF EVERGREEN ADORN THE BILTMORE ESTATE**

*This year, add a new tradition to your list of season's activities...a visit, by deluxe motor coach, to Asheville, North Carolina to the magnificent **Biltmore Estate**. Built in 1895, as the private residence of George Vanderbilt, this magnificent Blue Ridge Mountain chateau remains the largest private home in America. A feast for the eyes, the home has 250 rooms, 4 acres of floor space, 43 bathtubs, 65 fireplaces, and 1,354 windows! Enjoy its priceless art, classic architecture and European elegance. At Christmastime, more than 45 magnificent trees, hundreds of wreaths and poinsettias and 10,000 feet of evergreen adorn **Biltmore Estate**. We will first stop at The Moose Cafe for lunch, not included, and then visit the **Asheville Farmers Market** before checking into our nearby hotel, **The Doubletree**, located right in the Biltmore Village. After you have had a chance to freshen up, it will be time for the highlight of our day: **an evening Christmas candlelight tour of the Biltmore Estates**. Also included, breakfast, Christmas luncheon at Deer Park and a tour of the Winery. There will even be time for shopping in the Biltmore Village. I bet the Christmas Carolers will be walking the streets and treating us to all of our favorite Christmas songs!*
