Enjoy all of our favorite shows as they present their Tribute to the Holiday Season! Many of these shows will perform half of their regular show and then devote the 2nd half to the holidays. It is a wonderful way to get in the Christmas Spirit!

Slip away to America's heartland and one of the most remarkable places on earth...a unique combination of big city entertainment and small-town heart...a dynamic mix of neon and nature! Far from the cares of the frenzied world, you'll find a town that still knows the true meaning of the word hospitality...they understand that friends still enjoy spending time with one another...that neighbors still care for one another. Sustaining these old-fashioned values beats the heart of excitement...an energizing rhythm of music, comedy, dancing and fun that pulsates morning, noon, and night...you will be welcomed with open arms to see what Branson is all about!! Where else can you see 5 exciting shows plus enjoy entertainment by Kenny Parrot...one of the best vocalists in Branson, while having dinner at "his place." And, of course, we'll stay at the very upscale Branson Radisson, our favorite hotel in Branson located right in the middle of all the action! A special addition will be the night we spend in Tunica/Memphis before traveling to Nashville. Yes, we will enjoy our final night in Nashville with time to visit the magnificent Opryland Hotel—all decorated for Christmas! Includes 5 breakfasts, 1 dinner and 1 lunch at Lambert's Throed Rolls Restaurant!
