NIAGARA FALLS
IS RATED AMONG
THE TOP 10
NATURAL ATTRACTIONS
IN THE WORLD!

Don't miss this great opportunity to travel to Ontario, Canada in the fall of the year. Whether you are a first-time visitor to the Falls or if you are returning for the 10th time...it is a sight that never fails to take your breath away! Join us as we travel to the Canadian side of the Falls—staying at the beautiful Embassy Suites. Your room will have a fabulous view of the Falls, and the hotel is in an ideal location! Because we will spend 3 nights in Niagara Falls, there will be plenty of time to explore the countryside, too. In addition, we will visit Niagara on the Lake, tour a winery in the Wine District, have dinner in the Skylon Tower and, enjoy 4 attractions with our Canadian Parks Pass—the Maid of the Mist, The Butterfly Exhibit, White Water Walk and The Journey Under the Falls (pending 2012 schedule). You will also have hop-on/hop-off privileges with your Canadian Parks people mover pass! Another highlight of the tour will be the night we spend in the Ohio Amish country at the Carlisle Inn, Sugar Creek. There will be time for a quick ride through the Amish Country before we leave for the Falls. Breakfast included each morning, plus 1 dinner, and 4 Managers' Receptions.
