

The Outer Banks... plus, Norfolk & Virginia Beach!

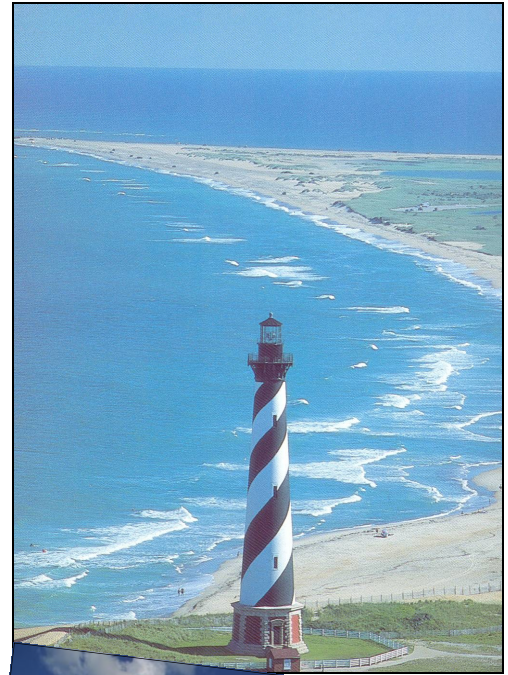

May 27-June 1, 2012

There is no place on earth like the barrier islands that make up the Outer Banks! It is called "the Land of the Beginnings."

Take a moment and close your eyes. Imagine the sound of the waves rolling onto the shore...take in the aroma of the salt air...experience the wonder of the pelicans as they fly in perfect formation...feel the calm and tranquility of miles of windswept beaches!

We will travel first to Norfolk and Virginia Beach. Highlights while there include 2 breakfasts, 1 lunch, 2 nights' hotel stay, plus a tour of Nauticus, the Hampton Roads Naval Museum and the USS Wisconsin; the Chesapeake Bay Area Center; the Naval Air Station Oceana with lunch at the Officer's Club; the Virginia Aquarium and Marine Science Center including an IMAX movie and 'creek cruise' all with a step-on guide and tour of the areas visited.

Next, we travel to the Outer Banks, a majestic land of surf, sand dunes and sea oats. Long and slender barrier islands stick out from the coast like a taut bow, extending more than 100 miles into the Atlantic Ocean. We will explore all of this with our own personal guide. Highlights while at the Outer Banks include 3 nights' accommodations at the oceanfront Hilton Garden Inn, 3 breakfasts, 2 dinners, and all tours and admissions (Cape Hatteras Lighthouse, the Hatteras-Ocracoke Ferry, Ocracoke Island, the Cape Hatteras National Seashore, and the Wright Brothers Museum).
