*We visited the Galt House on the way back from Chicago in 2010 and were amazed and thrilled with KaLightoscope! You have to see it to believe it!*

Celebrate the splendor of the season in Louisville, Kentucky! Spend 3 nights in their famous suites at the magnificent Galt House Hotel, Louisville's only waterfront hotel. Magnificent anytime, during the holiday its old-world elegance is transformed by Christmas magic. Highlights include Colors of the Season, a holiday dinner show, shopping at the Mistletoe Marketplace and Galt House Retail Row, a life-sized gingerbread village (you can't eat the chocolate reindeer antlers!!), special Santa events, beautiful Holiday Décor, a tour of the Little Slugger Factory & Museum, Lights Under Louisville, visit to the local candy shop, 2 breakfasts and reserved seating at the Derby Dinner Playhouse for dinner and show.

## WHAT IS KALIGHTOSCOPE?

KaLightoscope

KaLightoscope has come to the U.S. for the first time as part of Galt House Hotel's new holiday extravaganza, KaLightoscope Christmas. The key attraction is KaLightoscope, a landscape of larger-than-life, lighted holiday sculptures inspired by ancient Chinese art. Each is a multi-faceted display, with some towering up to 24 feet high.

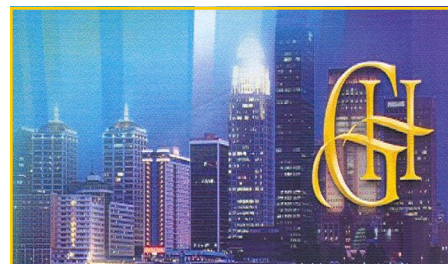

Artisans take the century-old craft of Asian lantern making to a magical, monumental scale.

Moving parts, amazing colors and surprising building materials all come together in one of the most spectacular and charming holiday displays anywhere. Visitors can stroll a landscape of 12 lighted scenes including Santa's Midnight Flight over the World, Toyland and the breathtaking Nativity. You have to see it to believe it!!

**WE'LL STAY IN EXECUTIVE SUITES

And, of course, their newest addition to their Christmas Events...KaLeightscope! The Galt House Hotel has received many top honors... these include:
